

15 February 2006

To: School principals

The “Science in the Public Service” Campaign commenced on 13 January 2006. Earlier on, I introduced to you the various activities of the campaign. I would like to invite your school to participate in school talks and displays on loan, which are scheduled between April and end of 2006. The talks and displays present the scientific work of various Government departments and showcase the application of science to our daily life. I have the pleasure in attaching the relevant information for your reference.

If your school is interested, please fill out the application form and fax it to the Organizing Committee on or before 15 March 2006. As quite a number of schools are expected to join the activities, the Organizing Committee would not be able to guarantee that all applications would be accepted. In case of queries, please browse through our website at <http://www.science.gov.hk> or call 2926 8259 for more details.

Yours sincerely,

Dr B Y Lee
Assistant Director, Hong Kong Observatory
Chairman of the “Science in the Public Service” Campaign
